“THE FUTURE OF LAW AND NEUROSCIENCE”

KAVLI FOUNDATION LECTURER

FRANCIS X. SHEN
ASSOCIATE PROFESSOR, UNIVERSITY OF MINNESOTA LAW SCHOOL
MCKNIGHT LAND GRANT PROFESSOR

FRIDAY, APRIL 10TH
4:00 PM
BIOTECHNOLOGY AUDITORIUM ROOM 1111
GENETICS & BIOTECHNOLOGY CENTER
(425 HENRY MALL)

Does law and neuroscience have a future? Lawyers and courts are now considering neuroscience research in both criminal and civil cases. Legislators are listening too, in areas such as mental health, addiction, dementia, prenatal care, crime, and education. But will this momentum fade away or continue to build? This lecture will address these questions, and present a prediction about if, and when, we will see a “neurolaw revolution.”

For additional information or to meet with Dr. Shen, contact Tera Holtz at tholtz@wisc.edu or 262-4932

Refreshments will be served in the Biotechnology Atrium at 3:30 p.m.

The Neuroscience and Public Policy Seminar Series is supported by the Kavli Foundation.
